Dear _____ :

I enjoyed my opportunity to be with you at the Mississippi Labor-Management Conference in Biloxi. Mississippi can benefit greatly from a harmonious relationship between her employers and employees. I am encouraged by the efforts of the Labor-Management Conference to foster that relationship.

We have a great opportunity in Mississippi to move everyone forward economically. The economic development plan that I introduced on August 7th will aggressively recruit competitive business and industry for our state. It will attract good jobs and build a more secure future for Mississippi's working families.

We must work together to implement this plan. Only through cooperation will Mississippi's economic promise be reached.

I look forward to working with you in the future. If I may ever be of assistance, please do not hesitate to contact me.

Very truly yours,

RONNIE MUSGROVE
